

WORKED IN ZENSAR TECHNOLOGIES

Autism Detection Spectrum Screening Tool (MAJOR)

- ✓ <https://github.com/Sirisha-collab/ASD-Detection-using-Machine-Learning-Algorithms>
- ✓ Here, we designed discriminate features, engineered data analysis and data cleaning using Excel and Power BI.
- ✓ We calculate accuracy using machine learning algorithms.

Liberty Common Services – (05/2021 – 10/2021)

- ✓ The main objective is to analyze customer data, logs and to test Web API's using Postman or SOAPUI.
- ✓ Improved the performance of UI by redesigning the flow.

Claim Process Management – (12/2021 – 09/2022)

- ✓ Client – Standard Bank (South Africa)
- ✓ This application send notifications using Azure and calls web service to stream, verify data using MVC, Net Core & Angular.

Just Stop Orders – (11/2022 – Present)

- ✓ Client – Liberty Services (South Africa)
- ✓ Team Size – 5 (Programmer)
- ✓ Technology– C#, Ado.Net, Front-end, Azure, LINQ, GIT, jQuery, IIS Server, SQL and SSRS.
- ✓ Involved in analyzing, fixing defects in existing system and delivered with quality solutions for database-based apps.
- ✓ Propose creative results, design, risk, complexity and effort according to design specifications and user requirements.

EDUCATION

Master of Technology- 9.0 CGPA

Sept 2019 - Jan 2022

VNRVJIET, HYD

Bachelor of Computer Science- 76.8%

June 2015 - May 2019

Teegala Krishna Reddy Engineering College, HYD

SKILLS AND ABILITIES

The following are my skills which I believe are:

1. Programming: C#, OOPS, ADO.NET, MVC 5, SQL, EF 6x, .Net Core, Azure, Angular 8, Web API's, CI/CD Pipeline
2. Machinery: Data Science, ML Algorithms, Python
3. Front-end: HTML5, CSS3, Bootstrap, JavaScript (ES6)

STRENGTHS

1. Good motivational and leadership skills
2. Honest, Hardworking and eager to learn
3. Ability to work under team driven environment
4. Capacity to handle the task effectively under heavy work load

G. SHIRISHA

Proactive & Cheerful

CAREER

Looking for a challenging role where I can efficiently contribute my skills to build up my professional career.

1. Certification in *Microsoft Certified: Azure Fundamentals* on 30/01/24.

2. Received *Best Project Award* in *M.Tech* for the Academic year 2020-2021 in CSE department.

3. Received *Certificate Of Excellence* in academics from 2017-2019 for securing highest grade in the department of IT for three consecutive years.

4. Published a research paper as “*A Novel Approach to Project Employee's Performance and Confinement*” with Springer Singapore Journal.
